**Kay Showker : 100 Best Resorts of the Caribbean (100 Best Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Best Resorts of the Caribbean (100 Best Series):

0 of 0 people found the following review helpful. Authoritative guideBy krepkiThe 100 resorts span most of the Caribbean islands, and favor smaller independent operations but also include a few large hotel and resort chains. The reviews are richly descriptive of the unique ambience and feel of each place. There are many useful details about what amenities are included at each place. I have dreamed of traveling to St. Lucia ever since I read a much earlier edition of this book, and soon I will go there and visit one of these top 100.27 of 28 people found the following review

helpful. a great guide  
By A Customer  
We bought this book to help us plan our Caribbean vacation. The reviews were very informative and gave enough detail on the different resorts to help us make an informed decision. The only thing I would change about this book is the addition of more photos of resorts. However, the author does provide phone numbers and web addresses to enable you to get more information on a particular place. The end result? We found a terrific resort that lived up to all our expectations. A beachfront cottage on a quiet stretch of Caribbean beach which we plan to visit every year. I would not hesitate to use this book again to find another Caribbean resort, but we've already found our slice of heaven.  
45 of 46 people found the following review helpful. A first-rate general intro to Caribbean resorts  
By A Customer  
I knew nothing about the Caribbean. I bought this book, read it carefully, selected a resort based on Showker's nitpicky and thorough information, and had a great time with NO major surprises. Not only is it a tremendously helpful and trustworthy guide, it's fun to read. I read it whenever I feel the need to escape, if only in fantasy, from cold, grey New England winters.

Solid advice on the best resorts, hotels, and inns on more than 20 Caribbean islands, plus the Bahamas and Turks Caicos

From ambience to accommodations and setting to service, this book lays it all out with advice backed by research. . . .  
[A]n indispensable booking tool.
