**Glenn Dromgoole : 100 Great Things about Texas** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Great Things about Texas:

0 of 0 people found the following review helpful. SILLYBy M. L. TaylorIf you are looking for a "gag" gift relating to Texas, i guess this would be okay. I found it a bit lame.1 of 1 people found the following review helpful. A lighthearted, gung-ho, unabashedly pro-Texas little bookBy Midwest Book Review100 Great Things About Texas is an enjoyable, pocket-sized trivia book filled with 100 "did you know?" tidbits about what makes the great state of Texas different. Some of the great things are based solidly on fact ("Texas still has the right to divide into five states. But if we did that we wouldn't be Texas"); some are historical lore ("The Texas Rangers trace their history back to 1823. Stephen F. Austin called them 'Rangers' because they ranged over such a wide territory protecting colonists"); and still others are a more subjective matter of opinion ("No matter what state you're traveling to, you're practically there once you cross the Texas state line"). A lighthearted, gung-ho, unabashedly pro-Texas little book, ideal as a welcome gift for Texas visitors or a souvenir for tourists.0 of 0 people found the following review helpful. A great Christmas gifts to family friends that don't understand TexansBy Mikael T. Kane, ArchitectA great Christmas gifts to family friends that don't understand Texans.

Here is a delightful gift book for the Texans, former Texans, even non-Texans on your list. It's not a travel guide and not exactly a Texas brags book. Rather, it's a celebration of 100 subtle and not-so-subtle, serious and not-so-serious things that make Texas the special place that it is.This entertaining and inexpensive little book consists of one thought per page, such as: -When you tell someone from another state or country that you're from Texas, it invariably causes a reaction. Sometimes positive.-We don't talk funny. Everybody else does.-If Texas isn't the biggest or best in whatever field or activity, we can sure make it sound like it is.-You can tell a place that serves great chicken fried steaks by the number of pickups parked outside.-Texas was once an independent nation, and most of the time we act like it still is. - Statistically, we are an urban state. In spirit, we aren't.-If you run out of anything else to talk about, there's always the

weather. Compiled by State House Press Managing Editor Glenn Dromgoole, 100 Great Things about Texas is intended as an impulse buy or stocking stuffer at book stores, gift shops, and souvenir outlets.

". . . a great little gift book." -- Round-up Magazine". . . a small book perfect for those 'one-more-gift' gifts. . . . It's just \$6.95, which is another great thing about Texas." -- Kerrville Daily Times". . . just the right size (and price) and . . . a fun addition to the loot for my grown children and grandchildren." -- Brazosport Facts". . . sure to spark the interest of native and non-native Texans alike." -- of Texas Books" This is one of those little stocking-stuffer books that's simply a fun read." -- Bryan-College Station Eagle  
About the Author
