Susan Van Allen : 100 Places in Italy Every Woman Should Go before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Places in Italy Every Woman Should Go:

2 of 2 people found the following review helpful. Fantastic Guide to Amazing PlacesBy cdispotoMost of the criticisms of this book appear to be that it's not your typical checklist-type guidebook. And it's true that it can't be your ONLY guide in Italy, especially if it's you first time. After all, the Colosseum isn't in the book and yet every woman (and person) should see it. But this book it about those special, unique, off the beaten path places.I am a man, but my wife brought this book on our three week trip to Italy and after a few days we made a it a mission to visit every place mentioned. From the gelato stands in all cities, paper shops in Venice, leather shops in Florence and restaurants in Rome, every place we ate or shopped was worth the visit.This is not a book a la Rick Steve's that will bombard you

with every hotel/restaurant/historic site in each city. It's the places to visit AFTER you've seen the big stuff. Do you need ANOTHER book to tell you to see Pantheon? No, but you need one to tell you to visit nearby Armando al Pantheon for lunch (trust me). Get your big Fodor's/Rock Steve's/Froemmer's guide and bring this book too. You won't be sorry. 1 of 1 people found the following review helpful. Interesting... But By Customer I love Italy altho I haven't seen nearly all the places described in the book... The writing was good and the descriptions charming... I do think there was a certain shallowness and self-indulgence running thru the book rather than any contemplation of deeper meanings and values I would have expected in a book of this nature 1 of 1 people found the following review helpful. Good book for experinced traveler By N.O.65 The book is good for someone who have already been to Italy and would like to deepen their experiences. I am not sure the information is organized in the best possible way. But maybe it is a meter of preference. Still think it is worth reading.

With passion, humor, and helpful tips, *100 Places in Italy Every Woman Should Go* inspires women to discover places that will appeal to their spirits, senses, and quests for adventure. Susan Van Allen has explored Italy up and down the boot for over 30 years and shares the intriguing details and secrets of her favorite places, along with those she's gathered from her girlfriends, fellow writers, and savvy actresses. Each entry steers women to spots that will fulfill their Italian fantasies whether it's exploring the palace where Audrey Hepburn lived in *Roman Holiday*, making a Carnevale mask in Venice, or admiring Botticelli's *The Birth of Venus* in Florence. The cornucopia of choices is divided into categories, so whether a woman is in the mood for adventure, art history, or antipasto, Van Allen guides them to unforgettable pleasures. The book also includes recommendations for relaxing spas and beaches, splendid gardens, and places to taste Italy's best gelato and chocolate and shop for treasured handicrafts.

This book makes me want to pack my bag with the lightest of clothing and follow Susan Van Allen's alluring suggestions for traveling in Italy. Her knowledge reveals an intimacy with the country and a honed sense of adventure. Andiamo! Frances Mayes, author of *Under the Tuscan Sun* Van Allen warms the room with her memories and imagination precise and true. The *New York Times* It's as if Van Allen has left us a trail of succulent ravioli crisscrossing the country, and we follow along gleefully, nibbling on one delightful, enlightening morsel after another. Nan McElroy, author of *Italy: Instructions for Use* I've just returned from six weeks in Italy and how I wish I had Van Allen's book. It positively sparkles with delight in all matters female, which, it turns out, is an optimal way to reveal particularly delicious matters Italian. Italy has a new portrait: sexy and savvy. Makes a gal smile in English and Italian, to eat up this compendium of Italy's most delectable women's outings. Anne Calcagno, author of *Pray for Yourself* and editor of *Travelers Tales Italy* I knew that Italy was the land of *la dolce vita* and *far niente*, but this is the first book to present an organized way to find your way through her earthly and soulful wonders. I want all my girlfriends to have a copy of *100 Places*. Camille Cusumano, editor of *Italy, A Love Story* A wonderful gift for any woman traveling to Italy. With Van Allen's advice you won't be overwhelmed and you'll discover how nurturing it is to travel in a country that has honored us since we all descended from Venus. Marybeth Bond, author of *Gutsy Women* and *Best Girlfriends Getaways Worldwide* Part guidebook, part history, and part manual to the good life in the land of *La Dolce Vita*, Susan Van Allen's magnum opus on all things Italian is essential reading for women (and men) who either want to get the most out of their next trip or want to be spirited back to their last. David Farley, author of *An Irreverent Curiosity: In Search of the Church's Strangest Relic in Italy's Oddest Town* Susan Van Allen's writing makes the magic of Italy jump off the page. She has a knack for capturing the charms, quirks, and authenticity of this magnificent land. Don't go to Italy without reading this! Kathy McCabe, editor and publisher, *Dream of Italy Travel Newsletter* That old Freudian chestnut 'What do women really want?!' has been answered once again in yet another appealing *Travelers Tales* opus specifically designed for women. In this instance, Susan Van Allen has romped through an Italy replete with seductive goddesses and female saints, architectural wonders, beauty spas, entrancing beaches, shopping sprees and craft/cultural courses, and picked the very best, mixing dreamy delights with drops of dainty decadence. Van Allen suggests readers: treat this book like a cookbook and make a full meal of it. She obviously did. You could and you should. David Yeadon, author of *Seasons in Basilicata* and *The Way of the Wanderer* Forget throwing that coin in the fountain. No matter how many times you've been to Italy and think you know it, reading Susan Van Allen's *100 Places in Italy Every Woman Should Go* almost guarantees a return trip. Now I must visit Siena, not for the Palio, but because it was here that St. Catherine bucked family expectations and proclaimed her commitment to Christ, thereby becoming a medieval woman to be reckoned with. Susan took her exhaustive research and whipped up a delightful book you'll only put down long enough to check the flights to that fascinating country. Carol Coviello-Malzone, author of *Flavors of Rome: How What Where to Eat in the Eternal City*
