hubby (a die hard Bills fan) for Christmas, and he loves it! He's still reading through it, and loves all the information it has. He has already promised it to his brother and dad when he is done, since they were flipping through it and were interested. 1 of 1 people found the following review helpful. Love it! By wahlk12 Great read for anyone (especially Bills fans). It was so hard to put down I finished the book in a day. Re-gifted it as a Christmas present for my cousin (also a huge Bills fan) and he loved it as well. Definitely recommend it to Bills fans who love team history, lore, and all things Bills! 0 of 0 people found the following review helpful. Five Stars By John Excellent
