Derrick Goold : 100 Things Cardinal Fans Should Know and Do Before They Die (100 Things...Fans Should Know) before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things Cardinal Fans Should Know and Do Before They Die (100 Things...Fans Should Know):

0 of 0 people found the following review helpful. Turning Redbirds into ReadbirdsBy Tim WilliamsInformative, fun

and picturesque. This book has good stuff for mature Cardinal followers or fledgling fans. Some of my favorite bits were Carl Erskine's description of how he pitched to Stan Musial (I've had pretty good success throwing him my best pitch and backing up third.), Schoolboy Rowe's comment on the Dean brothers (I'm glad the Deans aren't triplets.) and Lou Brock talking about base stealing (You have taken a piece of territory behind enemy lines.). Derrick Goold's book is good for extra bases. 11 of 11 people found the following review helpful. Must read for Cardinal fans
By Pennsylvania Reader
As a lifelong Cardinal fan and member of The Society for American Baseball Research, I found this book to be excellent. I have a baseball book collection of over 1100 books, and this one is as good as there is. It is extremely well written and very organized and if it left anything out I certainly couldn't detect it. I have been a Cardinal fan for 45 years and there are memories on every page. It was like a slow walk through childhood and Cardinals history at the same time. I don't know if non-Cardinal fans will enjoy it as much, but I would retitle this book "The Number 1 Must Read Book for Cardinal Fans Everywhere Before They Die." A great read.
1 of 1 people found the following review helpful. A Must read for Cards fans
By Daniel Solzman
By the time I finished, I did not have a dry eye. I laughed, I cried, I cheered. Goold covers just about every important player and event in St. Louis Cardinals history be it the Stan Musial Society or all the numbers retired in team history. Whether it's the good times like all the World Series wins or the sad times such as when we lost DK or said farewell to Busch in 2005, Cards fans will appreciate this book. I HIGHLY recommend it.

With 125 years of Cardinals history, this lively, detailed book explores the personalities, events, and facts every St. Louis fan should know. It contains crucial information such as important dates, player nicknames, memorable moments, singular achievements, and signature calls. This guide to all things Cardinals covers the artifact on public display that pays homage to Busch Stadium, the story behind the infamous "kidnapping" of Flint Rhem, and the unforgettable acrobatics of "The Wizard" Ozzie Smith.

About the Author
Derrick Goold is an award-winning reporter and baseball writer who has covered the Cardinals for the St. Louis Post-Dispatch since 2004. He has been honored for feature writing and investigative reporting while covering baseball, hockey, and college athletics. He contributes to Baseball America, writes for the baseball blog Bird Land, and cohosts a radio show. He lives in St. Louis, Missouri. Stan Musial is a former St. Louis Cardinal. "Stan the Man" is a record-holding 24-time All-Star selection and one of the greatest hitters in baseball history.
