Christopher Walsh : 100 Things Crimson Tide Fans Should Know Do Before They Die (100 Things...Fans Should Know) before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things Crimson Tide Fans Should Know Do Before They Die (100 Things...Fans Should Know):

0 of 0 people found the following review helpful. Don't Get Stuck at 99!By Larry F. VilesGreat little book. A little

humor and a little really worthwhile ideas. 6 of 6 people found the following review helpful. Title is Deceiving By Michael Jones This was a good book and if you are a Buckeye fan you will enjoy it. However, I bought it because of the title "100 Things Buckeye Fans Should Know and DO Before They Die". It had very few things you should do and many things you should know. Many of the things you should know were repeated stories throughout the book. I am glad I bought it, but it was a little disappointing. 1 of 1 people found the following review helpful. Some obscure and other cool info. By Tony Stengel If you are a fan you likely know much, but not nearly all, of the stuff in this book. As a kid I had special access and used to play ball in the Horseshoe after every home game and know a lot of trivia but still learned a lot from this book. Seems like a good gift. If you are a fan buying this for another, consider buying two as you might find yourself keeping the book and scrambling to replace it.

Since the inception of the Alabama football program in 1892, Crimson Tide has claimed 14 National Championship titles, all of which are explored in this guide. The book zeros in on critical moments, such as when running back Mark Ingram became the first Alabama player to win the Heisman Trophy in 2009, despite the team being led to six championships from 1958 to 1982 by the celebrated coach Paul Bear Bryant, as well as key figures from the college's history. This updated version includes highlights from the 2009, 2011, 2012, and 2015 championship seasons.

About the Author Christopher Walsh has been nominated for a Pulitzer Prize twice, won three Football Writers Association of America awards, and received both the 2006 and 2014 Herby Kirby Memorial Award. He is the author of more than 20 sports books and currently writes for Bleacher Report. He resides in Tuscaloosa, Alabama.
