By xerxes zorroI purchased this as a gift for a life-long Eagles fan. I was afraid he had it already, but he didn't. He was genuinely thrilled to receive it. That receives a thumbs up from me. He's rather picky about his Eagles!

By ErianaWe bought this for my father-in-law for Christmas who is from Philly and loves the Eagles, he was so thrilled and thoroughly enjoyed it.

With pep talks, records, and Eagles lore, this lively, detailed book explores the personalities, events, and facts every Philadelphia fan should know. It contains crucial information such as important dates, player nicknames, memorable moments, and outstanding achievements by singular players. This guide to all things Eagles covers the team's improbable run to Super Bowl XV, the Hoagiegate fiasco, the 1943 team merge, and how to tailgate Philly-style.
