Flyers history  
By Customer  
Being one of the biggest Flyers fans, I would have to say this is a great book for anyone who didn't know Flyers history. I think that there are some things that shouldn't be in there and some that should, but overall, it is a great way to learn about the great history and the past 50 years of the Philadelphia Flyers!  
12 of 12 people found the following review helpful. Must for Flyers Fans  
By S. G. Senderling  
I heard about this book from a friend on Facebook. It did not disappoint. I knew already most of the Flyers history as I have been a season ticket holder since 1980, but the book was a wonderful stroll down memory lane. It is easy reading as each topic is 1-2 pages long. It includes many photos and quotes from former players.  
2 of 2 people found the following review helpful. Great Bathroom Book  
By Michelle Cunningham  
Any true Flyers fan will know a lot of these stories but there are still a lot that I never knew. My description says "great bathroom book" but it's totally true. Each story is only a few pages long.

With traditions, records, and Flyers lore, this lively, detailed book explores the personalities, events, and facts every Philadelphia fan should know. It contains crucial information such as important dates, player nicknames, memorable moments, and outstanding achievements by singular players. This guide to all things Flyers covers the NHL record for most points by a player in his first game, the Blackshirt Plague, and the Broad Street Bullies.
