**Matthew Silverman : 100 Things Mets Fans Should Know and Do Before They Die (100 Things...Fans Should Know)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things Mets Fans Should Know and Do Before They Die (100 Things...Fans Should Know):

0 of 0 people found the following review helpful. great but does fall shortBy The GodfatherLots of fun information. Heavy on the things Mets fans should know but light on things that Mets fans should do.1 of 1 people found the

following review helpful. THAT'S WHY THEY ARE CALLED THE AMAZINS'By Robert J. Kroner100 Things Mets Fans Should Know Do Before They Die Verified PurchaseFantastic must-read book for all Met fans young and old. Provides all of the details statistically to make you an expert on Mets' baseball. I have been a fan of the Mets since they first came into the National League and I have been to many of their games. This books reviews both the memorable and the quirky players who have played for the team.....and they are memorable and quirky indeed, from Marvelous Marv Thronberry to Casey Stengel, the master of entertaining double-talk. The book clearly invokes memories that will live forever in Mets' lore. Pete Rose (Charlie Hustle) barreling into second baseman, Elio Chacon, and the ensuing bench clearing brawl that followed after Rose bodily picked up Chacon and threw him out towards center field. There is also great highlights of the Miracle Mets of 1969 season, the shoe polish on Cleon Jones spikes and the fantastic diving catches by Ron Swoboda. It's all here.1 of 1 people found the following review helpful. 98% Should Know - 2% Should Do!By Florida Met Fan RichI am an avid Met fan and I did enjoy reading about the history of the Mets and top Mets moments, but I found the title of the book to be a little deceiving. There were only 2 thing TO DO in the whole book attend a Met Road game and have you kids run the Mr Met Dash. How about watch a Met practice during spring training. Watch a spring training game or better yet watch the Mets play two games in one day at two spring training parks. The book was a good read but I was looking more for places to go or things to do!

With traditions, records, and team lore, this lively, detailed book explores the personalities, events, and facts every Mets fan should know. It contains crucial information such as important dates, player nicknames, memorable moments, and outstanding achievements by singular players. This guide to all things New York Mets covers Robin Ventura's 1999 Grand-Slam single, the 1969 shoe polish incident, and the history behind the names and numbers on the left-field wall.

From the Inside FlapMost Mets fans have taken in a game or two at Shea, have seen the highlights of Game 6, and have heard the story of the '69 Miracle Mets. But only real fans realize that a smudge of shoe polish helped the team win their first world championship, know where the best place to sit in Shea's upper deck is, can recite the team's starting lineup in their inaugural season, or have visited the Mets Hall of Fame. 100 Things Mets Fans Should Know Do Before They Die is the ultimate resource guide for true fans of the New York Mets. Whether you're a die-hard booster from the days of Tom Terrific or a recent supporter of Reyes, Wright, and the "New Mets," these are the 100 things every fan needs to know and do in their lifetime. Acclaimed author Matthew Silverman has collected every essential piece of Mets knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom. As the Mets prepare to leave Shea for their new digs across the street at Citi Field, 100 Things will guide you through all the places to sit and see in the old ballpark before it goes the way of the dinosaur. Never watched a game from the loge or checked out the Diamond Club? 2008 marks your last chance, and 100 Things is your must-have guide to the do's and don'ts. Whether you're a lifelong fan, a youngster following in his or her parents' footsteps, or the significant other of a diehard fan about to be adopted into the Mets family, 100 Things Mets Fans Should Know Do Before They Die is the perfect how-to guide to being a real fan.
