Sal Maiorana : 100 Things Sabres Fans Should Know Do Before They Die (100 Things...Fans Should Know) before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things Sabres Fans Should Know Do Before They Die (100 Things...Fans Should Know):

0 of 0 people found the following review helpful. Interesting factsBy NellInteresting facts, it's a fun quick read. Things you probably wouldn't know or hear otherwise 1.0 of 0 people found the following review helpful. Another great and

insightful book from MaioranaBy TheHappyHermitWhenever I read history books about my favorite teams, it seems like I am constantly re-reading the same information. However, with Sal Maiorana's books I always get the extra tidbits of information that I never heard before. These little tidbits also tend to be very interesting and not trivial for the most part. I was initially impressed with Maiorana's "Buffalo Bills: The Complete Illustrated History", and now I am equally impressed with this book about the Sabres. However, I enjoyed this book more because it had more great moments whereas the Bills book had many moments in Bills history that left you shaking your head in disgust.0 of 0 people found the following review helpful. A must read for every Sabre fanBy Jeffery TownsendAn excellent book with excellent stories! Stories that brought back so many memories as well as stories I never knew. Is don't know how many more times I'll read book, but it's going to be a lot! Written to perfection IMHO.

Covering the entire 30 year history of the Sabres, author Sal Maiorana has collected every essential piece of Sabres knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100. Most Sabres fans have taken in a game or two at the First Niagara Center, have seen highlights of a young Pat Lafontaine, and are aware that the Blizzard of 1977 caused the teams first weather-related cancelation. But only real fans know who scored the first goal in franchise history, can name every member of the Sabres Hall of Fame, or can tell you the best place to grab a bite in Buffalo before the game. 100 Things Sabres Fans Should Know Do Before They Die is the definitive resource guide for both seasoned and new fans of the Buffalo Sabres.

About the AuthorSal Maiorana is a veteran sportswriter who covers the Buffalo Bills for the Democrat and Chronicle. He is the author of 18 books, including Game of My Life: Memorable Stories of Buffalo Bills Football, Buffalo Bills: The Complete Illustrated History, and A Lifetime of Yankee Octobers. He lives in Walsorth, New York.
