this book as a gift but when I started looking through I decided to buy one for myself. Every time I open it I find more things to add to my bucket list in Boston! Living in Rhode Island I thought I knew a lot about Boston, but this book has truly enlightened me to many more fascinating experiences! I look forward to traveling to Boston more often to see if I can check off the 100 things!2 of 2 people found the following review helpful. Great suggestions and tips!By Paula CiottiI just received my book, 100 Things To Do In Boston Before You Die by Leigh Harrington and couldn't put it down. As a former New Englander, I want to go back and live in Boston and do the 80-odd things I haven't yet done! I could not put the book down once I started reading it. The only problem about the book is that it may me homesick!1 of 1 people found the following review helpful. Five StarsBy CustomerHeaded to Boston
