**Rick Pender : 100 Things to Do in Cincinnati Before You Die (100 Things to Do Before You Die)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 100 Things to Do in Cincinnati Before You Die (100 Things to Do Before You Die):

0 of 0 people found the following review helpful. ... a "must read" book to know about all the wonderful things

Cincinnati has to offer! By Carole Bradley This a "must read" book to know about all the wonderful things Cincinnati has to offer!!!! 10 of 0 people found the following review helpful. Rick's Cincy is Red Hot! By Judith M. Colbert Rick's background would indicate he's the perfect person to write "100 Things to Do in Cincinnati Before You Die," and the indication is absolutely spot-on. Whether you want to know where to do the chicken dance or why there are so many (200+) places to eat chili (with chocolate), just check Rick's write-ups and tips. Strangers and locals are bound to find something to do in the Queen City.

Cincinnati has been an important, intriguing city since its founding in 1788. One of America's largest metropolises in the 19th century, it was known as the Gateway to the West. To reach to the American frontier, most travelers ferried down the Ohio River. In Cincinnati they enjoyed a refined stop before heading to less civilized regions. In the mid-19th century, thousands of German immigrants found new homes in Cincinnati, a city reminiscent of the European regions they left behind. These industrious people established institutions and businesses that continue to give the city its unique identity from music (especially singing) to beer and the arts. It's a locale that thrives on entrepreneurial spirit and blends the industrial Midwest with the hospitable South. In 100 Things to Do in Cincinnati Before You Die, you'll be pointed to many facets of the Queen City to explore. Fine and casual dining, arts and culture, fascinating history, great sports traditions and some uniquely local shopping opportunity are all described in this informative book. It's sure to keep visitors entertained and provide lifelong Cincinnatians with a few surprises.

From the Inside Flap Cincinnati has been an important, intriguing city since its founding in 1788. One of America's largest metropolises in the 19th century, it was known as the Gateway to the West. To reach to the American frontier, most travelers ferried down the Ohio River. In Cincinnati they enjoyed a refined stop before heading to less civilized regions. In the mid-19th century, thousands of German immigrants found new homes in Cincinnati, a city reminiscent of the European regions they left behind. These industrious people established institutions and businesses that continue to give the city its unique identity from music (especially singing) to beer and the arts. It's a locale that thrives on entrepreneurial spirit and blends the industrial Midwest with the hospitable South. In 100 Things to Do in Cincinnati Before You Die, you'll be pointed to many facets of the Queen City to explore. Fine and casual dining, arts and culture, fascinating history, great sports traditions and some uniquely local shopping opportunity are all described in this informative book.
