Abby White : 100 Things to Do in Nashville Before You Die before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things to Do in Nashville Before You Die:

0 of 0 people found the following review helpful. Good tips for a touristBy SammyFirst trip to Nashville and have limited time to do things. So this book narrows down my choices for eats, shopping, historic sites, entertainment and so much more. I'm using this book as my go to book for tips. Can't wait to visit.2 of 2 people found the following review helpful. nice little book for tourist and localsBy Harry L. Newkirknice little book for tourist and locals. many

restaurants and bars included. also local activities. I've lived here all my life (over 60) and learned things I didn't know. 1 of 1 people found the following review helpful. A waste of money By Dawn M Skip this book and just order the free Nashville city guidebook. This book didn't have anything in it that wasn't in the free guidebook and in fact had way "things to do" that were date specific like festivals and concerts.

Nashville has been called many things: "Music City," the "Athens of the South," or even "It City." (Thanks for that last one, New York Times.) But many of us just call it home, and while we're grateful that a bunch of travel and food magazines think we're awesome, we still have a few tricks up our sleeves. Whether you reside in the 615 or just like to visit, there is a lot to eat, drink and experience here. Perhaps you were a karaoke star at Santa's Pub way before Jimmy Buffet and Toby Keith filmed a music video there, but have you washed down a Donkey Leg with a Donkey Punch at Donks? Meat and three at Arnold's is indisputably fantastic, but what about the Italian meat and three at Savarino's? Everyone knows that you can get a superb cocktail at Patterson House or City House, but do you know which bar has the best Bushwacker? Maybe it's been a while since you hit the honky tonks on Lower Broad, so you might want to know which one is the best one for dancing with a stranger, and which one is filled with frat boys. Whatever you're looking for-hiking trails, arthouse theaters, record stores, shopping malls, hot chicken-this city has it, and this book will help you find it.

From the Inside Flap Nashville has been called many things: "Music City," the "Athens of the South," or even "It City." (Thanks for that last one, New York Times.) But many of us just call it home, and while we're grateful that a bunch of travel and food magazines think we're awesome, we still have a few tricks up our sleeves. Whether you reside in the 615 or just like to visit, there is a lot to eat, drink and experience here. Perhaps you were a karaoke star at Santa's Pub way before Jimmy Buffet and Toby Keith filmed a music video there, but have you washed down a Donkey Leg with a Donkey Punch at Donks? Meat and three at Arnold's is indisputably fantastic, but what about the Italian meat and three at Savarino's? Everyone knows that you can get a superb cocktail at Patterson House or City House, but do you know which bar has the best Bushwacker? Maybe it's been a while since you hit the honky tonks on Lower Broad, so you might want to know which one is the best one for dancing with a stranger, and which one is filled with frat boys. Whatever you're looking for-hiking trails, arthouse theaters, record stores, shopping malls, hot chicken this city has it, and this book will help you find it. About the Author Abby White is an adventurer at heart, which has led her to eat cow stomach on Nolensville Road and crawl through a mud pit at L.P. Field. As a staff editor at SouthComm, her work has appeared in Nashville Scene, The City Paper, Nfocus Magazine and Nashville Post. She is the former Editor in Chief of Her Nashville magazine and former Music Editor of Performing Songwriter Magazine.
