Great for seasoned New York travellersBy Jules55A great addition to my NY repertoire. Best for those who have already made several visits to the Big Apple and wish to get away from the touristy destinations and enjoy the city like the locals.1 of 2 people found the following review helpful. Five StarsBy Julia FalgaresLots of good places and things to do

Stroll through Central Park? Shop in Soho? Eat at Bubba Gump in Times Square? No. This book isn't another phoned-in guide for befuddled tourists searching for T-shirts. It's a detailed action plan for bon vivants and creatures of the night who want to be a part of the vibrancy and diversity that makes up the greatest city in the world. The fun comes in all shapes, sizes and price points MoMA's permanent collection, a pastrami sandwich at Katz's Delicatessen, midnight gigs at the Bowery Ballroom, following Walt Whitman's footsteps across the Brooklyn Bridge. Each "thing" is a singular experience and offers expert advice on how to get the most out of the very best of New York City.
