**Bob Witkowski : 100 Things to Do in Portland, Maine Before You Die (100 Things to Do Before You Die)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things to Do in Portland, Maine Before You Die (100 Things to Do Before You Die):

2 of 2 people found the following review helpful. Great guide for current Portland area spots to go, see, do...By J

Morrison Know the town and have met the author. Bob has found a great listing of things to do, places to go in the greater Portland area. Even though I've lived in the area for nearly 20 years, he's given me new ideas of places to play tourist, right in my own backyard! We keep the book out/available for our houseguests, so they can cruise through it for things to go and do when they're in the area. Thanks Bob, for taking the time to compile this gem for Mainers, locals and those from away. Great little read!  
0 of 0 people found the following review helpful. Should be your Main guide for Maine.  
By Stateman1952 Very informative and well written.  
1 of 1 people found the following review helpful. If you are going to Portland, you NEED this book  
By JCMAGreat book! Well priced and a good value. We followed many of his suggestions and it helped us have a great few days in Portland. We saw a lot of things we wouldn't have otherwise. Highly recommend this book for anyone travelling to Portland.

The original, the authentic, the real Portland is in Maine. Settled in 1633 and officially named in 1788, Maine's largest city is unexpectedly influential in many of key events in America's history (including Oregon's city being named after Maine's Portland on a coin flip), but has managed to remain one of the great American seaport cities on the east coast. First-time visitors are delighted to discover a "lovely city" when expecting to be in a small fishing town, or in discovering "a charming town" when expecting to encounter an overwhelming city...but no one ever seems disappointed! Noted as one of the "10 Most Underrated American Cities" by Cond Nast Traveler, then one better as "14 Underrated Places You'll Really Want To Move To" by BuzzFeed, the eclectic mix of cosmopolitan city, working waterfront, creative economy, and historical and cultural center appeals to the millions that flock here. With a population of 66,000, what makes the city so surprising to so many is the amount of restaurants, theatres, museums, galleries, and performing arts available-rivaling cities more than ten times its size. But while Portland continues to top national accolades and top lists, how much of the city is still unappreciated or unknown? 100 Things to Do in Portland, Maine Before You Die is life beyond the guidebooks-the real Portland literally and otherwise. It's a glimpse to the amazing events, food, activities, and secrets of which many locals have not even done, or may not be aware. Cities may be visited and experienced, but the goal is to live in it. And, really, you need to live before you Die. . . at least 100 times.

About the Author Robert Witkowski is a freelance writer, illustrator, and graphic designer, Creative Director for the Greater Portland CVB, and former Design Director of Portland Magazine. Having lived in Chicago, Boston, New York City, and able to immerse himself in many of the great cities in the US, Robert discovered all the aspects that make urban life exciting and fun by making his home in Portland's West End with his wife and two daughters. When he's not writing, drawing, painting, or designing, you're more likely to see him out on the town being inspired. He may also be found at [RobertWitkowski.com](http://RobertWitkowski.com)
