Larry Burns : 100 Things to Do in Riverside, CA Before You Die (100 Things to Do Before You Die) before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Things to Do in Riverside, CA Before You Die (100 Things to Do Before You Die):

1 of 1 people found the following review helpful. Great for visitors and long-time residents  
By LindaHI've lived in Riverside County for about 20 years, and most of that within the city of Riverside. While I am familiar with many of the items in this book, there were still a lot of hidden gems that I was unaware of - even after living in Riverside for such a long time. The book is well organized into sections: Food and Drink, Music and Entertainment, Sports and Recreation, Culture and History, Shopping and Fashion. It also has two additional helpful sections at the end: Suggested Itineraries, Activities by Season. Perusing the table of contents will tell you the list of what's in this book, however the author provides helpful tips and other information such as web URLs in the description of each item which makes the book well worth paying for. This book would make a nice gift for anyone planning to visit Riverside, as well as for long-time residents such as myself. I am looking forward to some new experiences in Riverside because of this book.

By John Paul IssaBorn and raised in Riverside, I've been showing friends around my hometown for years. There is so much cool, hidden stuff to discover here and the author has done an amazing job doing justice to Riverside's treasures. Highly recommended!

By Victoria CatonaFun! There is actually a lot of good reminders of how exciting Riverside is!

At just under 82 square miles and just over 300,000 residents, Riverside is easy to find. With dozens of parks, hiking trails, and preserved open spaces, it can be hard to leave. The city does not merely boast a vibrant city center, but centers! The western and northern sections capture the rural heritage with its historic greenbelt. The eastern and southern sections are more densely populated and reflect the area's more recent history as an education and economic hub for the Inland Empire. Decades ago, Riverside grew under the shadow of Los Angeles, starting as little more than a pit stop along the road from LA to Palm Springs for Hollywood celebrities. From these humble origins, Riverside is now an arts and innovation corridor. By car, by foot, or bicycle, the city has an eclectic collection of artisan shops, regional foods, and one of a kind things to see. *100 Things to Do in Riverside, CA Before You Die* is your local guide that cuts to the chase, saves you time and shows you...

From the Inside FlapAt just under eighty-two square miles and just over three hundred thousand residents, Riverside is easy to find. With dozens of parks, hiking trails, and preserved open spaces, it can be hard to leave. The city does not merely boast a vibrant city center, but centers! The western and northern sections capture the rural heritage with its historic greenbelt. The eastern and southern sections are more densely populated and reflect the area's more recent history as an education and economic hub for the Inland Empire. Decades ago, Riverside grew under the shadow of Los Angeles, starting as little more than a pit stop along the road from LA to Palm Springs for Hollywood celebrities. From these humble origins, Riverside is now an arts and innovation corridor. By car, by foot, or bicycle, the city has an eclectic collection of artisan shops, regional foods, and one of a kind things to see. *100 Things to Do in Riverside, CA Before You Die* is your local guide that cuts to the chase, saves you time and shows you what's unique, fun, and simply worth doing in Riverside.  
About the AuthorLarry Burns is a writer, artist, and teacher who has called Riverside home since 1994. Larry is a community leader and unapologetic booster, raising awareness and money to expand the business and arts communities. Larry is a founding member of the Inlandia Institute, which publishes local writers and promotes the arts through organized events and writing classes across the Inland Empire.
