**Michael Bright : 1001 Natural Wonders You Must See Before You Die: UNESCO Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 1001 Natural Wonders You Must See Before You Die: UNESCO Edition:

1 of 1 people found the following review helpful. Price history: price vs value By PilotX Great pictures! This came on the market in November 2010 and has peaked for short periods around \$41 averaging around \$20. In my opinion this is a fair price under \$20 and a good deal under \$10.0 of 0 people found the following review helpful. Five Stars By Evelynsmama Awesome book series 0 of 0 people found the following review helpful. Five Stars By Emily B. a fun way to track your travels, plan new adventures and just browse some amazing places

Updated and enhanced with new descriptions of natural wonders selected by UNESCO (The United Nations Educational, Scientific and Cultural Organization) as World Heritage sites, this beautiful volume takes readers to the most spectacular places on Earthsights and locations so breathtaking that once seen, they are never forgotten. Among them are: The iconic rocks and pinnacles of the Arizona desert The frozen, majestic Scandinavian archipelagos The secluded Spanish wetlands, home to the worlds few remaining Iberian lynx The fragile reefs of Australias coastline, now threatened by global warming Written and compiled by a team of the worlds most well-traveled writers, ecologists, photographers, and conservationists, 1001 Natural Wonders circumnavigates the globe, traveling to the most outstanding locations our planet has to offer. Readers will take an armchair tour augmented by the explosive rumbling of Caribbean volcanoes, and visit places like Bryce Canyon, Utah, a rugged, dramatic national park located just a few hours drive from Salt Lake City. Packed with information on the creation, development, and location of each natural wonder, and describing protected areas and endangered species in detail, this comprehensive guide offers compelling insight into our planets priceless resources. It celebrates hundreds of millions of years of the Earths turbulent natural history and displays our planets beauty, which is our unique heritage. Hundreds of magnificent color photos.

1001 Natural Wonders You Must See Before You Die covers some of the most beautiful sights on Earth and comes from the worlds best traveled writers, ecologists, photographers, and conservationists.
