Rory Ryder : 101 English Verbs with MP4 Video Disc (101... Language Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 English Verbs with MP4 Video Disc (101... Language Series):

Robots and mechanical bees bring verbs to life and an accompanying disc puts infinitives in motion With nothing but

drills and rote memorization, there's never been anything fun about conjugating English verbs--until now! 101 English Verbs inspires you to study verb conjugations with its full-color charts and charming, fun illustrations. Quirky robots, buzzy robo-bees, and a mischievous canine present the 101 commonly used verbs, with each verb's infinitive cleverly incorporated into a drawing for further reinforcement. For even more help with remembering the conjugations, each book comes with an MP3 disc packed with downloadable animations and pronunciations, easily loaded onto your iPod.

About the Author Rory Ryder is the founder of language-learning developers Learnverbs.com and lives in Barcelona.
