Michael Murphy, Sally Asher : 111 Places in New Orleans That You Must Not Miss before purchasing it in order to gage whether or not it would be worth my time, and all praised 111 Places in New Orleans That You Must Not Miss:

2 of 2 people found the following review helpful. Great Book.By Boone52Great information for both seasoned and novice NOLA visitors (and maybe locals). Create your own walking, driving, or restaurant tour. You may not get some of the local known nuances of all areas and locations, but it's pretty close. I would buy again, or give as a gift to

anyone going there. 1 of 1 people found the following review helpful. good book on off the beaten path NOLA
By R
Pretty great book with lots of information about spots you probably won't know about in New Orleans unless you're a local. Would have been better if it included some sort of a map.

Great book for tourist and locals
By Customer
Born and raised in N.O. Great book for tourist and locals.

Go off the beaten path to discover the hidden places, stories, and neighborhoods that reveal New Orleans' true character, history, and flavor
The ultimate insider's guide to New Orleans
Features interesting and unusual places not found in traditional travel guides
Part of the international 111 Places/111 Shops series with over 150 titles and 1 million copies in print worldwide
Appeals to both the local market (nearly 400,000 call New Orleans home) and the tourist market (10 million people visit New Orleans every year)
Fully illustrated with 111 full-page color photographs
As noted musician and NOLA native Allen Toussaint once said, "To get to New Orleans, you don't pass through anywhere else."
Birthplace of Jazz, home to the world famous Mardi Gras, champion of voo-doo and vampires, purveyors of its own distinctive Creole and Cajun cuisines, New Orleans, once owned by France, then Spain, then France again, has a rich history that blends the unconventional with the orthodox to create a cultural collision unlike that found in any other city.
This insider's guide to New Orleans is shaped by portraits of the less obvious, hidden treasures rarely seen by the 10 million tourists who visit "The Big Easy" each year. From architecture that housed early jazz musicians and powerful madams; to bars that offer shot-and-a-haircut specials; to emblematic local eateries like Hansen's Sno Bliz and Killer Po'boys; to the best places to buy a chartreuse-colored beehive wig, Civil War cavalry sabre, or some swamp-grass gris gris, 111 Places in New Orleans will ensure that you experience the musical, spiritual, historical, edible, and quite often sinful side of America's Most Interesting City.

About the Author
Sally Asher is a photographer and writer whose images have appeared in Newsweek, U.S. News World Report, and New Orleans Magazine. She has been a photographer for Tulane University since 2008 and frequently lectures about NOLA history through the Louisiana State Museums. She is the author of *Hope and New Orleans: A History of Crescent City Street Names* (The History Press) and the forthcoming *Stories from the St. Louis Cemeteries of New Orleans* (Landmarks).
