Part of the international 111 Places/111 Shops series with over 150 titles and 1 million copies in print worldwide Appeals to both the local market (nearly 7 million call the Bay Area home) and the tourist market (over 16 million people visit San Francisco every year) Fully illustrated with 111 full-page color photographs San Francisco: the home of hills and valleys, of dreamers and trailblazers, of hippies and hipsters. Discover a stairway that transports you from the depths of the ocean to the heights of outer space; take a spin class amidst the grand elegance of a repurposed 1920s movie palace; or slide down a century-old sundial that sits at the center of what was once California's first racetrack for cars. This is the real San Francisco. Strung together, the 111 experiences gathered here tell the B-side story of the city once romantically known as the Paris of the West.
