**Puck : 123 Chicago (Cool Counting Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 123 Chicago (Cool Counting Books):

0 of 0 people found the following review helpful. Great counting bookBy Los FarransMy 1 year old daughter loves this book, the pictures are bright and distinct (there are no words so the sky is the limit on how you tell the story when you're not counting) The construction of the book is a standard board book and has held up nicely with some normal abuse. There are two pages at the end that have explanations of each page, if you're like me and can't remember what the Wrigley building looked like.0 of 0 people found the following review helpful. Sadly it was missing a page. I know because ...By CustomerSadly it was missing a page. I know because we already had the book. This was a gift for my friend and it was missing the #1 page!0 of 0 people found the following review helpful. but perfect for a little kid to learn fromBy cglennosimple on the inside, but perfect for a little kid to learn from.

Kids will count from one to 10 with some of Chicagos most beloved symbolsthe Sears Tower, the el train, Navy Pier fireworks, Chicago-style hot dogs, and deep dish pizzain this board book featuring contemporary illustrations, dazzling colors, and bold, clear design. The end of the book includes a complete location list, in both English and Spanish, to help parents locate the symbols and landmarks and plan an entertaining trip to Chicago.

"These board books are super-quick reads with all pictures and numbers. Perfect for teaching mytwo year old to count." www.classymommy.com on the Cool Counting Books series"These books are really colorful and fun." The

Examiner "We can count on reading 123 Chicago everyday in our house. It's on [our daughter's] most-requested list." DailyCandy.com "Here's a twist on the traditional count-to-ten board book. What's neat about this book is that the final pages include full descriptions of each icon or place, in English and Spanish." The Full Mommy "This is a great counting book and its perfect for the little ones that are learning to count." Cindy's Love of Books "These may be the coolest counting books ever. Simply illustrated with graphic images, you can count along to 10 with the icons of famous cities, states, and the country." Cool Kids Gifts "We can't wait to share the whole big world with the little people in our lives, especially some of our favorite places right here in the USA. Is there any way Chicago-style pizza could make an acceptable first food for baby?" Pregnancy Newborn magazine (March 2011)
