Imagining a year in which the Boston Red Sox never lose a single game, this idealistic resource identifies the most memorable victory in the team's history on every single day of the baseball calendar season, from late March to late October. Ranging from games with incredible historical significance and individual achievement to those with high drama and high stakes, the book envisions the impossible: a blemish-free Red Sox season. Evocative photos, original quotes, thorough research, and engaging prose and analysis add another dimension.

During his time at the Boston Herald, among other places, Mark Cofman did not merely distinguish himself as a writer or as an editor; he distinguished himself as both. --Tony Massarotti, from the foreword
