3 of 3 people found the following review helpful. A Dream Come TrueBy Twins FanAuthor Dave Wright does an excellent job bringing the best 163 (yes, 163!) Twins wins to life in "162-0: The Greatest Wins in Twins History." For fans of all ages, this book will bring back memories, showcase the greatest players, and keep alive the team's storied history. A great read!

Imagining a year in which the Minnesota Twins never lose a single game, this idealistic resource identifies the most memorable victory in the team's history on every single day of the baseball calendar season, from late March to late October. Ranging from games with incredible historical significance and individual achievement to those with high drama and high stakes, the book envisions the impossible: a blemish-free Twins season. Evocative photos, original quotes, thorough research, and engaging prose and analysis add another dimension.
