**Zachary Karabashliev : 18% Gray** before purchasing it in order to gage whether or not it would be worth my time, and all praised 18% Gray:

Distraught over the sudden disappearance of his wife, Zack tries to drown his grief in Tijuana, then returns to the U.S. with a stolen stash of marijuana. Using this as an impetus to change his life, Zack sets off for New York with the weed

and a vintage Nikon. Through the lens of the old camera, he starts rediscovering himself by photographing an America we rarely see. His journey unleashes a series of erratic, hilarious, and life-threatening events interspersed with flashbacks to his relationship with Stella and life in Eastern Europe at the end of the 1980s. A suspenseful, darkly funny love story, "18% Gray" won both the Bulgarian Novel of the Year Award and the Flower of the Readers Award when it was first published in 2008, and received the praise of critics everywhere.
