**Colin Murphy, Donal O'Dea : 20 Things to do in Dublin Before You Go For a Feckin' Pint** before purchasing it in order to gage whether or not it would be worth my time, and all praised 20 Things to do in Dublin Before You Go For a Feckin' Pint:

3 of 3 people found the following review helpful. Best sightseeing book ever!By TatumThis was the best book for

visiting Dublin! I spent a semester abroad there and went to all 20 places recommended in this book plus more. I agree that these 20 are the most important things to see in Dublin. I took this book along every time I went sightseeing in Dublin because the author has great recommendations for what to focus on at each site and he also has walking tours in the book. The best part of this book though was that the author was hilarious. He goes over Irish history without making it boring. I had friends asking to borrow this book while I was abroad to take their family's on tours! 2 of 2 people found the following review helpful. There's even a glossary to explain any unfamiliar terms (my favorite is "eejit")

By Phil Johnson I read most of the book on the Kindle on my flight from California to Dublin. It cracked me up. The authors' Irish expressions are so colorful that it's impossible to read the book without hearing an Irish accent in your head. There's even a glossary to explain any unfamiliar terms (my favorite is "eejit"). I didn't have enough time to do 20 things in Dublin, but the things I did do were all described in this book, in highly amusing fashion. Highly recommended.

By Henrietta A friend and I are going on vacation to Dublin and so I started looking for a good book on the city. I often buy such books before traveling to a city and so many are a yawn to read. They may give good information, but you have to stay awake to get through them. This was a welcome change, I found myself laughing out loud a few times. Definitely not a run of the mill travel book.

Got some time on your hands before you hit Dublin's famous pubs? Then you need this book, an invaluable guide to twenty of Dublin's highlights for visitors and native alike. History, culture, strangeness, and beauty are all here - along with a list of the local hostelrys to visit and let the experience soak in.

for tourists and natives alike -- Irish Daily Mail basically a brew-print for city life -- Irish Tatler Man an alternative to going on a pub-crawl -- Books Ireland Murphy and O'Dea's travel guide-take it from a native-ticks all the boxes regarding what to do on a visit to Dublin ... a strong, compact guide to Dublin --Library Journal Entertainingly written and immensely knowledgeable . . . A seriously funny and seriously factual tourist guide. --Irish Voice

About the Author Colin Murphy is the author of *The Most Famous Irish People You've Never Heard Of* and co-author of the bestselling 'Feckin' collection (The O'Brien Press). His debut historical novel *Boycott* (Brandon) was published in 2012 to great acclaim. Donal O'Dea is a senior Art Director at one of Ireland's leading advertising agencies.
