Fever: Stay Home, But if You Insist!:

"Linda Pendleton skillfully combines wit with visual artistry through her description of magical Sedona. I think I just caught the Red Rock Fever bug!" ~Athena Demetrios, Author of *The Seasoning of A Soul* *20 Ways to Avoid Sedona's Red Rock Fever* is a humorous travel guide to Sedona, Arizona's Red Rock country. Come along with Linda Pendleton and her Red Rock "critters" and laugh a little as you learn about Sedona. A visit to Sedona will be one that most people will never forget, but if you follow the instructions within these humorous vignettes, you may avoid catching the Fever! A tourist attraction for many years, Sedona is a special place where movies were filmed among the breathtaking scenery, a place where artists live and numerous art galleries can be found. It has a New Age reputation for crystals, energy vortices, spas, and UFO sightings. Having one of the most photographed scenes in the southwest, second only to the Grand Canyon, Red Rock Crossing's Cathedral Rock along Oak Creek, is always a beautiful spot any time of the year. Golf courses, hiking trails, good food, luxurious resorts, a wonderful vacation spot or place to live; that is Sedona. Sedona Resources included.
