**Michael Sample : 2006 Montana Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2006 Montana Calendar:

0 of 0 people found the following review helpful. Great photos--the essence of Montana By K. Enger Michael Sample IS Montana's biographer. Having grown up in and near Billings, we miss the mountains, and this calendar feels warm and familiar. However, as a busy mom, I still need bigger squares to write in and less shiny paper. However, it's lovely to look at.

This Montana tradition keeps getting better and better: more photos, more color, more beautiful!
