Pat R Fischetti : 2007 World Business Advisory and Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised 2007 World Business Advisory and Calendar:

"Successful global businesses understand the value of this tool..." In today's competitive global marketplace, being relevant and successful means using tolls that will give your business a strategic advantage. And the most successful and lucrative businesses understand how diverse world cultures impact business practices both at home and abroad. Information is power and we have adeveloped some smart tools that will give you and your employees that powerful edge deserve. The 2007 World Business Advisory and Calendar is one such "secret weapon" that will provide you and your employees with stealth information and insights that will make your International business dealings more

effective and efficient. Author Pat Fischetti of Educational Extension Systems (EES) traveled worldwide extensively for over 20 years as a business consultant. While working within many of the world's cultures, he discovered an information vacuum on how to effectively interface with those cultures. Pat's experiences have resulted in a sensitivity to the impact that cultural issues have on conducting business globally. Used by over 10,000 U.S. firms and government agencies this valuable book is updated yearly with fresh, relevant business information that will enable you to keep pace with the everchanging global marketplace.
