Wanted old version to stir my memory of a few restaurants, now gone. Saved my sanity.1 of 1 people found the following review helpful. a foodie bibleBy Patricia Caton ReardonI am never disappointed in this book. It gives ratings on the 4 most important quality categories of a restaurant: food, service, decor and price. There are brief, but revealing, vignettes of each restaurant, giving one a sense of the place instantly. Superimposed on this structure are groupings by location, type of food, and also top winners in the 4 areas of quality. This is an invaluable guide to eating in a new place!!0 of 0 people found the following review helpful. Happy with my NY ZagatBy CustomerReceived timely and very useful!
