From Cameron + Company : 2013 Above New York Wall Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised 2013 Above New York Wall Calendar:

The stunning photography of Robert Cameron, featuring the city of New York.

About the AuthorRobert Cameron (19112009) was a famed American photographer and author of numerous books featuring aerial photographs of cities throughout the globe. Cameron's photographic career began in 1933 as a news photographer for the Des Moines Register. During World War II he worked for the War Department as a civilian photographer. After a stint in the New York City business world he migrated to San Francisco where he self-published his first ABOVE book in 1969. Since that time there have been 16 additional titles reaching a total of over three million copies in print.
