Estar Holmes : 2013 Trail of the Coeur d'Alenes Unofficial Guidebook before purchasing it in order to gage whether or not it would be worth my time, and all praised 2013 Trail of the Coeur d'Alenes Unofficial Guidebook:

The guide is packed with information designed to help you select lodgings, dining, entertainment, and shopping in the

communities along the trail. It offers suggestions on how to get to trailheads, with or without a car, and provides practical tips about what to expect when you get there, such as which ones have room to park large RVs, which restrooms are ADA accessible, and how long between water stops, since only one trailhead is equipped with a water fountain. About the Author: Guidebook author Estar Holmes gathers information about the Trail of the Coeur d'Alenes and surrounding communities in person each year. She also offers creative services through her micro-business, South Lake Promotions, Inc., based in Harrison, Idaho.
