Besides getting us psyched for the visit, it covers so many essentials about navigating the park from your arrival in the parking lot to every store/eatery/ride. It also covers the

new Dreammore Resort and local Pigeon Forge area outside the park. We especially appreciated the many interesting tidbits about Dolly's upbringing and how so many of the attractions' names and traditions tie back to her childhood. Also, critical to our visit was the helpful info for the mobility challenged and about the park's kennels. Using the book, we were able to prioritize our scheduling in the park, which is a necessity given all Dollywood has to offer. The 2016 Dollywood and Beyond guidebook definitely helped us make the most of our trip. 0 of 0 people found the following review helpful. ... and it's already familiar--but it was a lot of fun to have this book and read a fellow enthusiast's ... By BMom We have been to Dollywood several times before and it's already familiar--but it was a lot of fun to have this book and read a fellow enthusiast's take on the park. It is divided into areas and gives good descriptions of all of the rides, eateries, and shows. The weakest part of the book is the County Fair section--the author allowed his nephew to write it, which was very sweet--but the descriptions are all extremely short and choppy. Also, the use of "spouse" throughout the book was awkward--who talks like that? But all in all, this book was a great find, helped us build our excitement about an upcoming trip, and was a great read in the evening after a day at the park to plan the NEXT day--- I hope this book gets updated regularly. 0 of 0 people found the following review helpful. Fun book to read By MPR Useful book even for repeat visitors.

Dollywood, one of the premier theme parks in the United States, attracts millions of visitors to eastern Tennessee every year. The park's wide range of attractions, family-friendly food and lodging, and close proximity to Great Smoky Mountains National Park make Dollywood a complete vacation destination. Dollywood and Beyond! A Theme Park Lover's Guide is the everything-you-need-to-know handbook for planning your Dollywood adventure. Dollywood's sheer number of attractions and events can be overwhelming. Visitors will want to do it all: Ride roller coasters in the main park, slip down waterslides in Dollywood's Splash Country, stay at Dollywood's DreamMore Resort, see a show at Dolly Parton's Dixie Stampede, and hike in the national park. Author Michael Fridgen is a Dollywood pro. He provides very practical advice and information, including descriptions of each ride, lodging and dining guides, and tips for avoiding lines and traffic. Dollywood and Beyond! is the first and only comprehensive guide to Dollywood, and it showcases Fridgen's love of the park along with the Smoky Mountain region. Dolly Parton, the American legend behind Dollywood, would surely approve.
