Wisconsin's enchanting and diverse geography consists of rolling farmlands, sparkling lakes, rivers, sprawling forests and two Great Lakes shorelines. Get to know The Badger State better in this unique calendar that not only features twelve dazzling landscape photographs but also includes suggested destinations, annual events and helpful websites to add even more enjoyment to your future road trips. The large format wall calendar also includes six bonus months of July through December 2015; large daily grids with ample room for jotting notes, appointments and reminders; moon phases: U.S. and international holidays.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these

high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
