Breathtaking landscape photography that captures the seasons and scenery of Martha's Vineyard is showcased in this 12-month calendar. With a summer population that swells to more than five times the year-round residential average, this popular vacation destination off the southern coast of Cape Cod is cherished by many. The unique essence of Martha's Vineyard is artfully captured in this calendar that also features all major holidays and moon phases. Including ample room to make notes, this calendar provides charming and captivating scenes that will please both islanders and tourists all year long.
