Pamela Lanier : 22 Days in Alaska: The Itinerary Planner (2-22 Days) before purchasing it in order to gage whether or not it would be worth my time, and all praised 22 Days in Alaska: The Itinerary Planner (2-22 Days):

0 of 0 people found the following review helpful. An oldie but a goodieBy Anne MarieI love this series of books for helping plan an excellent itinerary, and understanding how much time to spend in each location. Although the information is dated, natural sites have probably not changed. Supplementing these itineraries with some internet research has never done me wrong.This Alaska itinerary includes driving north from Seattle, up the Alcan through the Yukon, to Anchorage, several days in Homer, then to Denali and Fairbanks. Finally you drive south to Skagway, where you pick up a ferry to return down the inland passageway.The first few driving days seem too ambitious, especially for a single driver (or hauling a large RV). Otherwise, some nice pointers in a good overview that is easy to read.
