We are not new to fly fishing and enjoyed her thoughtful descriptions. Pictures are great and I personally love the maps she included. Well written and sure to be a favorite as we explore Big Sky country.1 of 1 people found the following review helpful. Excellent guide...By DonGreat, well thought out guide to fly fishing streams in Montana. though these are not all "off the beaten path" streams the insights and information provided will definitely help you explore these streams and rivers for the first time. I particularly like the section at the end of each stream description telling you about local fly shops, stores, restaurants etc. as well as wading conditions and wildlife warnings. As stated before, a well thought out book, worth

Explore the streams less traveled in the state known for its legendary fly-fishing rivers! The Bighorn, the Madison, the Missouri, the Bitterroot - these are some of the biggest, most storied fly-fishing waters of Montana. They host thousands of anglers and guides every season, and they provide some of the most exceptional fly fishing in North America. But beyond these famous Montana rivers, there are hundreds of equally productive, equally breathtaking rivers and streams that are a little smaller, a little lesser known, and a lot less frequented - and every bit as beautiful! In *25 Best Off-the-Beaten-Path Fly-Fishing Streams of Montana*, author Molly Semenik explores the best of these under-appreciated fisheries, beginning first with what fly anglers can uniquely expect from Montana, before moving to each individual destination. With over 100 color photographs and local guide interviews throughout, the stream-specific chapters include detailed GIS maps highlighting access roads and entry points, ease-of-access ratings, specific information on local hatches, recommended tackle, fly shops, outfitters, campgrounds, lodging, dining, watering holes, and even local hospitals and treatment centers. As a Big Sky Country native, as well as Master Casting Instructor (MCI), member of the International Federation of Fly Fishers Board of Directors, and owner of Tie the Knot Fly Fishing, Semenik knows Montana streams intimately, and brings her knowledge to bear in this absolute go-to guide for natives and non-natives alike.
