Kevin Jeffrey, Susan Milton, Nan Jeffrey : 25 Bicycle Tours on Cape Cod and the Islands: Cranberry Bogs, Marshes, Sand Dunes, Lighthouses, and the Ever-Present Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Bicycle Tours on Cape Cod and the Islands: Cranberry Bogs, Marshes, Sand Dunes, Lighthouses, and the Ever-Present Sea:

0 of 0 people found the following review helpful. I recommend it. By Sue B An informative reference book on bike paths on Cape Cod. I recommend it. 18 of 18 people found the following review helpful. For the best bike routes on Cape Cod, this is the book. By Chris De Nuzzio Cape Cod is perhaps one of the best places to bike in New England. The rolling hills, the stunning views of the Atlantic and the jewel-like kettle-hole ponds in its interior sections make it a bicyclists paradise. During 2 weeks in late springs several years ago, I used the bike routes in this book alone to make my way from the upper Cape near Sandwich down to the Outer Cape into Truro and Provincetown. I was not disappointed. The maps in combination with written directions offer just enough detail so that riders are always on the right track. And vista after vista was exactly what this rider was hoping for. The routes in this book helped me to come away with an intimate knowledge of Cape Cod and too many fond memories to count. It's obvious that the folks who wrote this book rode these routes time and time again, perfecting them and finally compiling them into this incredible guide to the most stunning bike routes on Cape Cod. If you want to get to know Cape Cod better, or if you're just looking for a variety of top-notch biking experiences in Eastern Massachusetts, this is the place and this is the book!
