Marie-Jolle Parent : 300 Reasons to Love New York before purchasing it in order to gauge whether or not it would be worth my time, and all praised 300 Reasons to Love New York:

3 of 3 people found the following review helpful. One of the Best 'Insider' Books on NYC I've Ever Read By Customer This is one of, if not, the best books I've seen about where to go when you're in New York. The book tells you "hip" spots to go as well as more "under-the-radar" spots that only natives may know, and is insightful for both tourists and natives alike... The favorites lists and insightful descriptions of places give you many options to visit and

read about, and clearly shows the author left no stone unturned in researching all of the 5 boroughs (also plenty in each for visitors largely spending their time in just 1 borough). I miss NY already, but this is great for flipping through to not only remind myself of the great places I saw but also plan for my next trip! 2 of 2 people found the following review helpful. THE New York City guidebook for New Yorkers and Visitors alike! By Sara Mooradian If you are taking a trip to New York City or if you just live nearby and visit from time to time, 300 Reasons to Love New York is a MUST-HAVE. Great tips and photos of some of NYC's most iconic places, people and experiences that are accessible to all. Everything is covered in this guide book and you will truly enjoy the author's storytelling style. 3 of 3 people found the following review helpful. A must-have for anyone who loves the Big Apple - from near or afar. By Nadia Neophytou This book is like having a friend tell you about the cool places they've been and people they've met. There are loads of books about NY, but none with the style and personal insight that comes from Marie-Joelle. I loved reading the anecdotes of characters she's met, and reading their stories. Marie-Joelle has captured what makes so much of NY irresistible - yes, there are great places to visit, but there are also great people to meet along the way. And I loved the pics - the photos are fantastic!

Forget conventional travel guides and discover the real New York! Whether you are already a fan or on your first trip to the Big Apple, this book will (re)kindle your love for the city that never sleeps. It will introduce you to a New York that is as unique and diverse as its wide array of neighbourhoods and local treasures. Journalist Marie-Jolle Parent shares her best New York finds: where to grab a quick bite to eat or sip a Cosmopolitan; how to find a reasonably-priced hotel room; the best spots to watch the sunset and get a shot of the Brooklyn Bridge; the best clothing stores, and where to run into the city's most colourful characters. An invitation to experience the city in a distinctive and authentic way far from the throngs of tourists this guide shows you how to live like a real New Yorker.

About the Author Marie-Jolle Parent has been working for several years as a multi-media journalist in New York. She is well loved by the public, with 23 900 followers on Twitter and 17 100 on Instagram. Her Instagram account, which compiles over 10 000 photos of New York, was named among the top 10 accounts to follow by French magazine Le Nouvel Observateur.
