Peter Massey, Jeanne Wilson : 4WD Trails: Northern Utah before purchasing it in order to gage whether or not it would be worth my time, and all praised 4WD Trails: Northern Utah:

1 of 2 people found the following review helpful. Very thorough By L. Nelson While this may not be an exhaustive list of 4WD trails, this is a good book for the off-road enthusiast. It has detailed driving directions to the tenth-mile with landmarks and GPS coordinates.
