The recipes are from inns, but there is really no information about the inns themselves. Nice for a cookbook but not what I expected. I suggest Elizabeth Squires' book if you're looking for information on places to stay in New England. 0 of 0 people found the following review helpful. Great

Susan Sulich takes readers on a trip across New England to explore the top BBs and inns. From the Brewster House in Freeport, Maine to the Steamboat Inn in Mystic, Connecticut, the book will provide a brief history of the inn, its locale, as well as suggestions for activities in the surrounding areas. For those who don't want their vacations to end, it's also a delectable cookbook including more than 100 of the bed and breakfasts' signature dishes, such as Carrot Cake Pancakes with Cinnamon Syrup and Cream Cheese Icing, Crab Cake Eggs Benedict, and Maine Blueberry Stuffed French Toast. 50 Great Bed Breakfasts and Inns: New England is perfect for anyone looking to see New England from the comfort of their home, or enjoy a country breakfast, New England- style.
