Taz Tally : 50 Hikes in Alaska's Kenai Peninsula (2nd Edition) (Explorer's 50 Hikes) before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Hikes in Alaska's Kenai Peninsula (2nd Edition) (Explorer's 50 Hikes):

0 of 0 people found the following review helpful. A must have for a hikerBy VeterI have been living and hiking on Kenai Peninsula for almost 10 years now, bought it for my BB library, and was swept away how much useful info I

found. It is very well written and has great maps and tables.0 of 0 people found the following review helpful. Hikers best guide to the KenaiBy cindyThorough, outstanding guide to the best day hiking in the Kenai. Great detail. Good advice. Explains everything from how to find the trailheads to details of the hikes themselves.0 of 0 people found the following review helpful. Usually lasts about 6 months.By Ann EdwardsFilter works great! Usually lasts about 6 months.

A hiking guide to one of Alaska's most stunning outdoor getaways Alaska is vast, wild, and stunningly beautiful and notoriously difficult to get around. The Kenai Peninsula, with its proximity to Anchorage, is the gateway to the great outdoors of Alaska for vast numbers of visitors and locals alike. The Kenai offers coastal, forest, subalpine, tundra, and even glacial hiking opportunities accessible to most. The hikes in this book range from an easy half-mile walk through a boggy lowland meadow to more challenging multi-day hikes through mountainous terrain. As with all of the 50 Hikes series, this volume provides the kind of narrative descriptions that allow you to choose which hikes to actually take and equips you with critically acclaimed maps that help you navigate to and from where you are hiking.

About the AuthorTaz Tally is a photographer, Ph.D. geologist, and four-season outdoor athlete who moved to Alaska to pursue his love of hiking, biking, kayaking, skiing, and photography. He is the author of numerous books and teaches classes on digital photography. He lives in Anchorage.
