Ralph Ramey : 50 Hikes in Ohio (4th Edition) (Explorer's 50 Hikes) before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Hikes in Ohio (4th Edition) (Explorer's 50 Hikes):

5 of 5 people found the following review helpful. Terrific Guide for Hiking Trails in OhioBy Sherry Ellis50 Hikes in Ohio is perfect book for those wishing to explore the many trails Ohio has to offer. The first few pages lists the hikes at a glance. It gives the name of the hike, the town or mountain it is near, the length, difficulty, and altitude. I then checks if the hike has nice views (almost all of them do), waterfalls, and if it's good for families and children. There is

a small box with notes about the trails as well. Once the reader has gone through the list and made note of the trails that are of interest, he or she can find a more in-depth explanation of the trail. These are arranged by geographic location: Central Ohio, Northwestern Ohio, Northeastern Ohio, Southeastern Ohio, and Southwestern Ohio. Author Ralph Ramey, gives a brief history of the trail, driving directions for how to get there, and a description of what hikers will see as they walk along the trail. There are many color photographs of the trails, as well as pictures of some of the flora and fauna found on the trails. 50 Hikes in Ohio is very well-organized, interesting, and easy to understand. Highly recommended for outdoor enthusiasts who wish to hike in Ohio. 3 of 4 people found the following review helpful. Great!! By JillMMY Dad loves this book!!! He has found many things that he wants to go check out!!

A veteran hiker revisits old favorite trails in the Buckeye State In this revised and updated edition, Ralph Ramey visits old and new trails that reflect his love of hiking in Ohio. Walks through remnant prairies and an area of drifting sand dunes, a climb to a dolomite promontory, and a hike through a deep deciduous forest are among the trekking adventures that Ramey describes in detail in this update of his classic hiking guide. 75 black-and-white photographs

About the Author Ralph Ramey is retired chief of the Division of Natural Areas and Preserves with the Ohio Department of Natural Resources. He is the author of Explorer's Guide 50 Hikes in Ohio and Explorer's Guide 50 More Hikes in Ohio. He lives in Westerville, OH.
