Daniel Doan, Ruth Doan Macdougall : 50 Hikes in the White Mountains: Hikes and Backpacking Trips in the High Peaks Region of New Hampshire (50 Hikes in Louisiana: Walks, Hikes, Backpacks in the Bayou State) before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Hikes in the White

Mountains: Hikes and Backpacking Trips in the High Peaks Region of New Hampshire (50 Hikes in Louisiana: Walks, Hikes, Backpacks in the Bayou State):

2 of 2 people found the following review helpful. Wonderful hiking resource
By Dave
This book is a fabulous resource for identifying popular hikes in the Lakes Region of New Hampshire. The book is extremely informative about the trail, directions to find the hike, and highlights of the hike.
2 of 2 people found the following review helpful. Easy-to-follow directions
By Paulette Baker
I used this book last weekend. The trail descriptions are very easy to follow, and the introductory write-ups make it easy to select appropriate trails for your skill/desired effort level.
2 of 3 people found the following review helpful. Offers the White Mountain hiker everything
By Candace Scott
Living in California, I don't get a chance to hike in New Hampshire as often as I would like. But when I do, I always take this lightweight guide along in my car and in the pack. The best part about the guide is that hikes are described in detail and directions to each trailhead are given in exhaustive detail. This is especially important for out-of-towners who aren't familiar with the back country roads. The authors have hiked each of the trails and they offer pithy comments on trail conditions, the possibility of seeing wildlife and other pertinent information. There is a separate section on the magnificent Cosos Trail, the 200+ mile hike which runs from the border of NH to the Canadian border. My one slight criticism is the maps, which could be of better quality, but the text, route descriptions and ancillary material are of high quality. The descriptions of day hikes around Pinkham Notch are excellent!

An updated guide to 50 hikes in the White Mountains of New Hampshire, ranging from one mile to 33 miles in length, and from gentle walks to challenging hikes lasting several days. Each description includes directions, a map, and information on history, wildlife and lore.
