Thomas Funke : 50 Hikes on Michigan Wisconsin's North Country Trail (Explorer's 50 Hikes) before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Hikes on Michigan Wisconsin's North Country Trail (Explorer's 50 Hikes):

1 of 1 people found the following review helpful. Highly recommend!By CustomerGreat book with great color photos. The North Country Trail is still a secret of the National Scenic Trails. Excellent and concise trail descriptions. A great

tool for planning prior to hiking and also when on trail. The author did great work keeping this book as compact as it is for the 1000+ miles that it covers. If you want all the NCT in Michigan, you will need to buy a couple other books though. The author's 50 hikes in the UP and Dufresne's Backpacking in Michigan: both also excellent books.0 of 0 people found the following review helpful. Perfect!!By CustomerPerfect!!! If you're looking for Trail info MAPS! for NCT in Michigan Wisconsin, This Is The Book! Each write up for each section is So helpful. I was looking for detailed maps of where I Hike this trail, this is where I found them! I got this book from local Library, loved it so much I had to Buy it! Happy Hiking!0 of 0 people found the following review helpful. Did not include the section between Grand Marais, Michigan ...By CustomerDid not include the section between Grand Marais, Michigan and Munising, Michigan. That is the section I wanted to know about.

Challenging hikes to the precipices of dramatic cliffs, gentle walks to breathtaking waterfalls, and satisfying rambles to geological formations that reveal millions of years of natural history. In the same class as the Appalachian Trail, the North Country National Scenic Trail is over twice as long as its older cousin.50 Hikes on Michigan Wisconsin's North Country Trail is a guidebook for both the day hiker and the long-distance backpacker. With full-color maps and elevation profiles, it covers the certified trail on the ground as well as portions yet to be certified in adjoining states. Included are resources for long-distance backpackers to help them connect trail segments and find local services, as well as mileage charts and other valuable information. Nearly 1,000 miles of trail and connecting routes are covered.

About the AuthorThomas Funkehas been the director of conservation education at Binder Park Zoo in Battle Creek, MI, and resident manager of the Michigan Audubon Otis Sanctuary in Hastings, MI, a 120-acre bird sanctuary. An avid hiker and freelance outdoor writer, he lives in Hastings, MI.
