By Marsha I wish I had gotten this book years ago! It shows each hike clearly with a map, tells me about places I didn't even know were so close. A must-have guide for everyone who likes to hike.

By flwboathouse Excellent, great breakdown of details on the hikes and well organized book. I've already recommended to others.

Four lakes, rolling hills, and rocky formations are just a few of the earthly wonders that abound in the Madison area of Wisconsin. Known for its university atmosphere and charming neighborhoods, Madison is also an enclave of diverse natural beauty, and this remarkable guide describes every facet. Ranging from walks through the city proper to more rustic hikes outside town limits, there is a hike in this guide for outdoor enthusiasts of every level.

...spectacularly comprehensive, well organized, fun to read...amazed at the level of detail...hike descriptions are accurate. -- Brennan Nardi, Madison Magazine, 7/11/08
