In celebration of the 10th Anniversary of the Ryman Program for Young Artists, The Ryman-Carroll Foundation is

proud to present a book of extraordinary insight into the magical worlds of Disney and its quintessential artist Herbert Dickens Ryman. *A Brush with Disney* is the story in 252 pages of color illustrations of artist Herbert Ryman's personal journeys around the world and through the "world of Walt". Told through the marvelous illustrations of the artist and his own personal notes and thoughts on a 50-year journey, this rare compilation (many never-before-seen works) is edited by Bruce Gordon and David Mumford, with research by Irene Naoum.
