Nadine Huffman, Marilyn Lebhar : A Cincinnati Night Before Christmas before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cincinnati Night Before Christmas:

3 of 3 people found the following review helpful. Well-written book for any Cincinnati native.By GrandmaKA friend told me about this book which incorporates Cincinnati traditions in with a poem about a young boy waiting for his adoptive sister to arrive. I was quite surprised by how well the poem came together and touched by the ending. The illustrations are also fun and appeal to young children and adults alike. A very fun book to share with my grandchildren and a jumping off point to tell them about other traditions I experienced growing up in Cincinnati. A nice addition to the Christmas books I put out every year.2 of 2 people found the following review helpful. A Cincinnati Night Before ChristmasBy marcia a spraulA Cincinnati Night Before ChristmasThis is a wonderful story that contains some of Cincinnati's favorite places to visit. Waiting for a new baby to arrive by adoption. This book was sold out the first year in print and I can see why.0 of 0 people found the following review helpful. Cincinnati ChristmasBy Alice PetzBought one for each Grandchild family as a remembrance of all that's good in our City and some history (as it seems to be rapidly changing).

Based on a true story, little Matty and his grandparents await the Christmas Eve arrival of his adopted sister, Baby Annie. Trains, zoo animals, ballet, the Nativity Crib, and many iconic Cincinnati locations, captured in beautiful watercolor illustrations, form the backdrop for this heartwarming book. It's the perfect holiday gift for children,

families involved with adoption, Christmas and local book collectors, and readers of all ages who love Cincinnati and Christmas! 100% of the book's proceeds go to Greater Cincinnati non-profit child adoption organizations. AS FEATURED IN THE 2013 CINCINNATI TOYMAKERS' HOLIDAY GIFT GUIDE!
