**From Brand: Frances Lincoln : A Coast to Coast Walk: A Pictorial Guide (Wainwright Pictorial Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Coast to Coast Walk: A Pictorial Guide (Wainwright Pictorial Guides):

3 of 3 people found the following review helpful. Walking Coast to Coast? You need a book like this. By Roger Graham Who needs this book? People who plan to make the "Coast to Coast" walk across England. This 300 kilometre

trek was one of the best things we've ever done, and the small red book was our daily companion as we walked . Must have.  
0 of 0 people found the following review helpful. An inspiration for sketchers of today  
By LUIZ CELSO LEAL  
An inspiring book. Especially in these days of so much photography, this book shows the power of good a writing combined with detailed ink drawings. Some comments would sound incorrect by today standards, but the in overall the book is very good.

By ravenglasswitch  
Bought this for a birthday present to go with another Coast to Coast book, my friend ia also enjoying this book too.

The Coast to Coast Walk, devised by Wainwright himself, stretches across 190 miles from St Bees Head on the East coast to Robin Hood's Bay on the West, passing through the Lake District, Yorkshire Dales and North York Moors. This Pictorial Guide, first published in 1973 and updated in 1992, contains Wainwright's original text and his hand-drawn black-and-white route maps for this much - loved walk.
