Hank Taft, Jan Taft : A Cruising Guide to the Maine Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cruising Guide to the Maine Coast:

1 of 1 people found the following review helpful. Older Copy of Maine Coast GuideBy A. SolywodaWe are delighted at this guide for the Maine Coast. It organizes the complete area and provides quick reference for the many prospective anchorages and harbors. Although it is an old edition, any location can be Googled to see what the modern changes are. We found Rockland to be an interesting port and then saw it featured on a recent Anthony Bourdain show. I highly recommend this book to any sailor needing help with making decisions on a passage "Down East".0 of 0 people found the following review helpful. It's a classicBy PhilippeIt's a classic, and well updated.0 of 0 people found the following review helpful. Nice travel book for sailing cruiserBy EyePhotogOlder copyright. As advertised and price was great. Shipped timely too.

Filled with vital information and charts of more than 530 harbours, anchorages and gunkholes on Maine's ragged coast. This is the Maine sailor's bible.In addition, more than 30 sidebars delve into the history of the coast.
