From Brand: EarBOOKS : A Day in New York (Book 4-CD set) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Day in New York (Book 4-CD set):

A Day in New York: lifestyle, fashion sightseeing, and music - a day in pictures and songs are gathered in this book about the world's most fascinating city. The trip starts at 6:00 in the morning in Midtown and covers all of Manhattan. The tour includes shopping in style, a la Sex and the City, sightseeing in Soho and Greenwich Village, a stroll through Central Park and Harlem, as well as visits to museums, restaurants, and night clubs - a day full of impressions that ends where it started in Midtown at night. The four CDs continue this celebration of the Big Apple, and include tracks from New York labels and artists assembled here to create a compilation that is as colorful as the city itself. The spirit of the metropolis is reflected in jazz, swing, soul, pop, hip-hop and gospel, as well as in recordings by musicians who perform in New York's streets and subway stations.

About the AuthorAndre Fichte, photographer of people and fashion, is credited with an infallible nose for trends. This world citizen works all around the globe for the great magazines, record companies and artists, and fashion houses. He is a communicator, using his lens to catch people in his net. Born in Hamburg, he acquired his first camera at the age of fourteen. Photography has fascinated him ever since. He sees himself as a photographer of the old school. His portrait photographs are sculptures in two dimensions. His aim is to provoke contradictory sensations. If he succeeds

in this, the restless perfectionist has delivered a job he can be satisfied with.
